Mr. Arthur C. Lundahl Dear Mr. Lundahl, This comes to you on behalf of my wife, our mother, and friend to thank you for the wonderful reception that you offered in my direction and, in particular, to them. It was one of the most delightful and rewarding experiences that we have ever had, and especially for me, throughout my entire career with the Federal service. Your thoughtfulness, sincere appreciation, and warmth, were the most exciting that anyone could have ever wished for. I thank you sincerely and hope that the best of everything will haunt you, your family, and staff, always. Just as you felt and said, in parting, "it's not a goodbye, but, until we meet again."			(
